- What is the craft form or technique to be taught? Please describe.
- How and when did you learn this craft?
- Have you ever taught this to anyone? Please describe.
- Tell us a little more about how this craft plays a part in your life.
- To the best of your ability, access the apprentice's potential and commitment to the art form.
- How do you and the apprentice know one another, why did you choose this apprentice?
- Why do you wish to teach your craft and participate in the Craft Apprentice Program

The apprentice should have answers (each limited to 500 characters) to the following questions prepared to cut/paste into the online application. Or, you may type directly into the application.

- What do you hope to accomplish with this apprenticeship experience?
- How much skill do you already possess in this craft? For how long have you practiced this craft or related craft?
- Why do you want to work with this master craft artist in particular?
- In what ways do you plan to continue working with this craft form or technique in the future?
- How will your apprenticeship experience contribute to you professional craft career?

Apprenticeship Plan

List the knowledge, skills and techniques that will be taught/learned during the apprenticeship. What will the apprentice be expected to learn to do between meetings? Where will your teaching take place? What is the driving distance between the apprentice's home/studio and the master's home/studio or designated meeting space? What will be the length of each meeting? How will you communicate between meetings? *
