

Craft Apprentice Program 2022: Application checklist & questions

The applicant pair should have the following prepared to upload:

Mentor Work Images and descriptions (name file with artist last name and include artist name in the description text box)

Apprentice Work Images and descriptions (name file with artist last name and include artist name in the description text box)

Up to four additional support materials of your choice (optional)

- o Examples: Letter of Recommendation, Artist Statement, Biography, Extra images, Press, Resume, CV.

There are questions for the mentor, questions for the apprentice and questions for both mentor and apprentice. We recommend preparing an offline document for all your responses that you have both discussed, reviewed and agreed to. When that is complete one of you will create an account on the Maine Arts Commission grant site and cut/paste your responses into the form and upload your files. Only one account can access the application, however, you can share the login credentials, save your work and login repeatedly and separately. You may type directly into the application, however, in case of a tech-snafu, recommend you have a master copy to cut/paste from.
